AUGUST 2014 MONTHLY FINANCIAL REPORT

GRANVILLE EXEMPTED VILLAGE SCHOOL DISTRICT

September 15, 2014
Mike Sobul, CFO/Treasurer
August Budget Highlights

Summary

The real property tax settlement was about a half percent below what was expected. Overall expenditures through August are running a little ahead of last year.

Revenues

The real property tax settlement was about $38,000 lower than had been projected. This is primarily due to a slight decrease in the current collection rate for residential taxpayers. Last year the collection rate was 97.3 percent. This year it dropped to 97 percent. I had been expecting it to be 97.4 percent. Delinquency payments returned to a more normal level. Public Utility property taxes were also lower than expected. The shortfall there, about $20,000, is because Columbia Gas is behind in making payments.

Expenditures

Overall expenditures are running ahead of last year through August. That is to be expected because of both the pay increases and insurance cost increases. The report next month will have a more complete picture of expenditures once final monthly estimates are done.

Enrollment

Enrollment is more finalized now than it was last month. We have had an additional net reduction of 23 kids since my report in August. Current enrollment is at exactly 2,400 students, down 60 from last year. We have added a net of 34 kids in grades 1-12 above what we had last year in K-11. Thirty of those 34 were in first grade. We lost a net 94 kids by replacing the 223 who graduated last year with a Kindergarten class of 129.
