Public Participation at Board Meetings

The Board of Education recognizes the value to school governance of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public participation at every regular meeting of the Board and shall publish rules to govern such participation in Board meetings. The presiding officer of each Board meeting at which public participation is permitted shall administer the rules of the Board for its conduct. The presiding officer shall be guided by the following rules:

- A. Public participation shall be permitted as indicated on the agenda.
- B. Anyone having a legitimate interest in the actions of the Board may participate during the public portion of a meeting.
- C. Participants must be recognized by the presiding officer and will be requested to preface their comments by an announcement of their name, address, and group affiliation, if and when appropriate.
- D. Each statement made by a participant shall be limited to approximately three (3) minutes duration.
- E. All statements shall be directed to the presiding officer; no person may address or question Board members individually.
- F. Tape or video recordings are permitted, providing the person operating the recorder has received approval from the Superintendent prior to the Board meeting and agrees to the placement of the equipment and to abide by the following conditions: 1) no obstructions are created between the Board and the audience; 2) no interviews are conducted in the meeting room while the Board is in session; 3) no commentary, adjustment of equipment, or positioning of operators is made that would distract either the Board or members of the audience while the Board is in session.
- G. The presiding officer may 1) interrupt, warn, or terminate a participant's statement when the statement is too lengthy, personally directed, abusive, obscene, or irrelevant; 2) request any individual to leave the meeting when that person does not observe reasonable decorum; 3) request the assistance of law enforcement officers in the removal of a disorderly person when that person's conduct interferes with the orderly progress of the meeting; 4) call for a recess or an adjournment to another time when the lack of public decorum so interferes with the orderly conduct of the meeting as to warrant such action.
