sgummere@granvilleschools.org
svanvalkenburg@granvilleschools.org

The Granville High School Book Club is open to all students 9-12. There are two groups that meet during the separate lunch periods, and meetings will happen 1-2 times per month. Book choice will be determined by the students in each group, and varying genres will be read throughout the year. Meetings take place in the library.

Competitive Math League

Advisor: Mr. Kieffer
advisor@ghsmathteam.com

The GHS Math Team is a place where all students who enjoy math come together. We practice problem-solving techniques and learn advanced math concepts in a fun and friendly environment in preparation for local, state, and national math competitions. Our goal is that you will learn new skills beyond the classroom, enjoy mathematics, expand your analytical skills, and make friends with other math enthusiasts. Visit us at ghsmathteam.com for more information.

Creative Writing

Advisor: Mr. Mullins
kmullins@granvilleschools.org

This club is for students of all grade levels and writing abilities to write, share ideas, and collaborate with others. Students explore different genres of writing and experiment with various writing techniques. Students are encouraged to share and/or publish their writing. Above all, students are supported in a positive environment as they craft and develop their own writing. The club usually meets at least 2x per month.

Envirothon Team

Advisor: Mr. Reding
jreding@granvilleschools.org

The ENVIROTHON is designed to stimulate, reinforce and enhance interest in the environment and natural resources among high school students. The Envirothon tests students' knowledge of soils, forestry, wildlife, aquatic ecology and current environmental issues. In addition, the Envirothon encourages cooperative decision-making and team building.

Academic

Industrial Tech Club

Advisor: Mr. Wenning
cwenning@granvilleschools.org
